SCHOOL BUS SERVICE

REMARKS

- The fees for tuition will be invoiced in 10 monthly payments (from September to June).
- You may pay the amount in **full in one single payment before the 15th of July**, in this case, a 3% discount will be applied.
- School Cafeteria and School Bus Service are purchased on a quarterly basis.
- We have a menu available for allergies and food intolerances. In addition, due to any medical illness or condition, the school can provide a special menu for a student.
- Families are kindly requested to authorize the school receipts in their Bank or Savings Bank. The receipts will be billed through the Bank on the first day of each month.
- The Administration of the School has the policy of not admitting more than two months delay in the monthly payments. Families wishing to communicate any changes in receipts or bank account must do so on the 15th day of the month before the bill should appear. The expenses caused by the refunds by the families will be charged on the receipts. (A prolonged absence of the student does not exempt the payment of the School fees).

SERVICES INCLUDED IN THE SCHOOL FEES

- **English classes** from the age of 1.
- **German and Chinese** classes from 5th grade
- **Swimming classes** from the age of 1.
- **Technology, Programming and Robotics** from the age of 4.

INFORMATION OF INTEREST FOR THE 2024-2025 ACADEMIC YEAR

The 2024-2025 academic year will start on September 5th for Preschool and Primary students. On September 6th will start Secondary and Baccalaureate students. All of them with school cafeteria, school bus service and full day.

Before the start of the new academic year 2024-2025, families will receive a document with the last advices for the start of the year, as well as the place and time of pick up and drop off for the school bus routes.

COLEGIO PRIVADO
INTERNACIONAL

IN CASVI VILLAVICIOSA WE EDUCATE WITH THE HEART

At Eurocolegio Casvi International Private School, the International Baccalaureate Continuum (PYP, MYP and DP Programmes) is taught based on a constructivist methodology, It offers, from an early age, an education that covers the development of all the skills of the XXI century. It's a private and international school, which applies the innovative International Baccalaureate (IB) methodology at all teaching levels and offers an education that covers the development of all 21st century skills. It encourages critical thinking and allows the students to direct their own learning process. Our educational project adapts to the needs of an increasingly globalized world and facilitates a motivating, practical, inclusive, and culturally aware learning environment.
